School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Wheatland Elementary School’s Vision and Mission Statements Our goal is to inspire learning and foster success for all students, in a caring school community with involved staff, committed to a goal of excellence in teaching. In collaboration with parents and the educational community, we strive to meet each student's needs - academic, social, emotional and physical. We recognize, respect, and develop each student's unique potential. Our curriculum and instructions are aligned with National, State and District Standards and we measure our achievement through standardized assessments. We provide a flexible learning environment that prepares our students for the challenges of a changing world.

One of our school’s assets is our student motivation and rewards program called Renaissance. We recognize our students for their efforts as well as their achievement by giving rewards at break, at lunch, and at our trimester Renaissance Rallies. Another wonderful component of our school is the Family Resource Center (FRC), which provides assistance and resources for families. The FRC is also a haven at lunch time, break, and after school for students. The FRC facilitates case management for students, including connecting families to county resources and acting as a liaison between parents and school. The FRC monitors grades, behavior, and attendance for at-risk students. They also provide supervision of recreational activities and translation services in Spanish and Hmong.

The atmosphere on the Wheatland Elementary campus is calm, positive and nurturing. We invite parents and community volunteers to join us in the education of our students. It is our goal to partner with families to create the best educational environment possible for our students. Our wonderful students, families, and dedicated teaching team and support staff make our school a fabulous place to work and learn.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	16	16	18	71
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	2

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements (Most Recent Year)

The campus was originally opened in 1963. It is a beautiful, tree-lined campus. The campus has a wide-open feel and is equipped with appropriate lighting and security cameras in strategic areas to promote safety. Wheatland Elementary has site established cleaning standards with two full-time custodians and one half-time custodian. The campus is always well maintained and classrooms and bathrooms are cleaned daily. The Principal and Lead Custodian do routine walks of the campus to identify items that need to be repaired, replace or improved. An ongoing document is kept to monitor projects and ensure completion. Minor repairs to the carpet and door lockdown latches are necessary due to usual wear and tear. In the 2018-2019 school year four classrooms had their carpeting replaced. Our continual plan for improvement plans for ofur more rooms to have carpeting replaced each year. There is adequate room for all students in classrooms, on the playground, and in the eating areas. We have a fully functioning kitchen and multipurpose room with plenty of tables and room to sit. Our multi-purpose room is used for school sports programs, community sports programs and for community events. There is room behind our campus for future expansion of our school or for sports fields and other extracurricular activities.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 8/27/2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	42	54	48	51	50	50
Mathematics (grades 3-8 and 11)	45	43	40	40	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Our school's annual site plan and school site budget approvals are made by our School Site Council. The School Site Council is comprised of parent members, certificated staff, classified staff, and site administration. We have a District English Language Advisory Committee to help students and their families who are learning English feel welcome at our school. At Back-to-School Night parents can sign up to volunteer in their areas of interest at our school. Teachers compile the lists of parents who are interested in volunteering in their classroom or for particular events. Parents have the opportunity to volunteer in classrooms, the school office, and our library. Classroom and campus volunteers are always needed. We recognize volunteers at trimester rallies for their service and donations. All parent volunteers are required to be cleared through fingerprinting and a comprehensive background check prior to volunteering. To find out how you can volunteer at our school, please contact our school at 530-633-3140.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Expulsions	0.0	0.0	0.0	0.1	0.1	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

All teachers and noon duty supervisors are scheduled so that at least two monitors are on duty during each recess. We provide before school, during school, and after school supervision. Safety drills are held once per month rotating Fire Drills, Earthquake drills, and Lockdown drills throughout the year. The Safety Committee reviews and approves our school Safety Plan each October. We distribute the plan to each teacher and it is reviewed and approved by the School Site Council. We work collaboratively with the Wheatland Fire and Police Departments to coordinate emergency plans. The school's surveillance system, perimeter fencing and the involvement of the Wheatland Police Department ensure a safe environment for all. The 2019-2020 School Safety Plan was last reviewed, updated and discussed with faculty and the School Site Council in September and subsequently approved by the Wheatland School District Board of Trustees in October 2019.

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

State and federal money is spent on core instructional materials in all areas of our curriculum; (English Language Arts, Mathematics, Social Studies/History, Science, Fine Arts including a dedicated Music Teacher, and P.E.. Additionally, supplemental instructional programs are funded such as Counseling and an afterschool intervention support program. Title 1 support funding is targeted toward identified groups of students at risk of not succeeding in school for academic or social emotional challenges. Funding provides personnel support for learning through the use of classroom assistants and paraprofessionals in transitional kindergarten, kindergarten, first grade classes, as well as in Life Skills, and the English Language Learner Program.

Each year funding is invested for progress monitoring programs such as Accelerated Reading, MobyMax and ESGI programs. Student progress is shared with students and their parents in both formal and informal methods. Progress is celebrated at the Reni Rallies.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Wheatland Elementary School and the Wheatland School District are dedicated to the educational development of teachers and staff. Six staff development minimum days are scheduled yearly, designed to enhance the educational experience of our students. During after school workshops, staff evaluate student data to develop a continuing educational plan that meets the needs of the constantly changing student population. Teachers tackle the areas of the California Common Core State Standards, school safety, state testing demands, and the students' social emotional needs to develop a program that educates the whole student. In addition to these on campus opportunities, our staff attend best practice conferences including topics from 504 Plan and special education law, as well as county developed trainings focused on integrating the California Common Core State Standards with a variety of student learners and learning modalities. The Wheatland Elementary School team works hard to collaborate with campus staff and surrounding communities to develop an exemplary academic program.

Teachers are supported throughout the implementation process through a combination of peer led trainings and meetings, as well as administrative observations. Data is evaluated often to ensure the continued growth of our programs and provide opportunities to address student needs through our continued professional development. During the current school year, professional development has been provided during Staff Development Days for the initial implementation of a PBIS system of Positive Behavioral Intervention Systems.
