BOARD AGENDA ITEM: Public Hearing – Virtual Preparatory Academy at Wheatland Charter Petition

DEPARTMENT: Superintendent’s Office

CONTACT PERSON: Craig M. Guensler

REPORT/PROPOSAL:

This is notice that the public hearing before the Wheatland School District School Board regarding the charter petition of Virtual Preparatory Academy at Wheatland is scheduled to take place. After a brief introduction to the item, the charter school will be given time to present their petition (not to exceed 15 minutes). Be advised that your time includes all speakers who will be part of your planned presentation, but not members of the public. After your presentation, it is possible that board members will have questions, and you may be asked to return to the podium. Following board questions, members of the public will be invited to speak for up to 3 minutes. The time available to each speaker may change depending on the total number of speakers who have submitted slips. Speakers who require translation are generally allotted additional time. Please be aware that repetitious comments, in support or opposition, are not helpful to the Board.

SUPERINTENDENT’S RECOMMENDATION:
Public Hearing – No Action will be taken
