EMPLOYEE SECURITY

Note: Pursuant to Government Code 3543.2, safety conditions in employment are a mandatory subject of collective bargaining. The following Board policy and accompanying administrative regulation are **optional** and may be revised to reflect district practice.

The Governing Board desires to provide a safe and orderly work environment for all employees. As part of the district's comprehensive safety plan, the Superintendent or designee shall develop strategies for protecting employees from potentially dangerous persons and situations and for providing necessary assistance and support when emergency situations occur.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 3515 - Campus Security)
(cf. 5131.4 - Student Disturbances)

Note: Code of Civil Procedure 527.8 allows the district to seek a temporary restraining order and injunction on behalf of an employee against any other individual who has subjected the employee to unlawful violence or a credible threat of violence in the workplace. In City of San Jose v. William Garbett, a California Court of Appeal held that a court's issuance of a temporary restraining order and injunction against a person who had verbally threatened a city official was not a violation of that person's right to free speech and right of access to a public place.

Any employee against whom violence or any threat of violence has been directed in the workplace shall notify the Superintendent or designee immediately. As appropriate, the Superintendent or designee shall initiate legal and security measures to protect the employee and others in the workplace.

Note: Education Code 48905 provides that an employee who is injured or whose property is damaged by willful misconduct of a district student under the conditions described below may request that the district pursue legal action against the student, or his/her parent/guardian pursuant to Education Code 48904. Education Code 48904 provides that a parent/guardian will be liable for damages caused by his/her minor child's willful misconduct resulting in injury to a district student, employee, or volunteer or damage to district or employee property. Also see BP 3515.4 - Recovery for Property Loss or Damage and AR 5125.2 - Withholding Grades, Diploma or Transcripts. The district should consult legal counsel when considering whether to pursue legal action.

The Superintendent or designee may pursue legal action on behalf of an employee against a student or his/her parent/guardian to recover damages to the employee or his/her property caused by the student's willful misconduct that occurred on district property, at a school or district activity, or in retaliation for lawful acts of the employee in the performance of his/her duties. (Education Code 48904, 48905)

(cf. 3320 - Claims and Actions Against the District)
(cf. 3515.4 - Recovery for Property Loss or Damage)
(cf. 4156.3/4256.3/4356.3 - Employee Property Reimbursement)
(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

EMPLOYEE SECURITY (continued)

The Superintendent or designee shall ensure that employees receive training in crisis prevention and intervention techniques in order to protect themselves and students. Staff development may include training in classroom management, effective communication techniques, procedures for responding to an active shooter situation, and crisis resolution.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

The Superintendent or designee also shall inform teachers, in accordance with law, of crimes and offenses committed by students who may pose a danger in the classroom. (Education Code 48201, 49079; Welfare and Institutions Code 827)

The Superintendent or designee may make available at appropriate locations, including, but not limited to, district and school offices, gyms, and classrooms, communication devices that would enable two-way communication with law enforcement and others when emergencies occur.

(cf. 5141 - Health Care and Emergencies)

Use of Pepper Spray

Note: The following section is **optional** and may be revised to reflect district practice. Penal Code 22810 authorizes adults, with certain exceptions, to carry an approved tear gas weapon such as pepper spray for purposes of self-defense. Penal Code 626.9 and 626.10, which prohibit the possession of weapons on school grounds, do not prohibit the possession of pepper spray on school grounds. Thus, the Governing Board may determine whether to allow or disallow with certain exceptions the possession of pepper spray on school property or at school activities. See the accompanying administrative regulation for related procedures.

Employees shall not carry or possess pepper spray on school property or at school activities, except when authorized by the Superintendent or designee for self-defense purposes. When allowed, an employee may only possess pepper spray in accordance with administrative regulations and Penal Code 22810. Any employee who is negligent or careless in the possession or handling of pepper spray shall be subject to appropriate disciplinary measures.

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

Reporting of Injurious Objects

Note: The following **optional** section specifies actions to be taken in the event an employee becomes aware of any person who is in possession of an injurious object, and is consistent with the actions described in AR 5131.7 - Weapons and Dangerous Instruments related to student possession.

EMPLOYEE SECURITY (continued)

Pursuant to Education Code 49334, a school employee who notifies law enforcement regarding a student or adult who is in possession of an injurious object while on school grounds or under the authority of school personnel cannot be subject to any civil or administrative proceeding, including disciplinary action, for such action.

The Board requires employees to take immediate action upon being made aware that any person is in possession of a weapon or unauthorized injurious object on school grounds or at a school-related or school-sponsored activity. The employee shall use his/her own judgment as to the potential danger involved and shall do one of the following:

1. Confiscate the object and deliver it to the principal immediately
2. Immediately notify the principal, who shall take appropriate action
3. Immediately call 911 and the principal

(cf. 3515.7 - Firearms on School Grounds)

(cf. 5131.7 - Weapons and Dangerous Instruments)

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

When informing the principal about the possession or seizure of a weapon or dangerous device, the employee shall report the name(s) of persons involved, witnesses, location, and the circumstances of any seizure.

EMPLOYEE SECURITY

4258

4358

An employee may use reasonable and necessary force for self-defense or defense of another person, to quell a disturbance threatening physical injury to others or damage to property, or to obtain possession of weapons or other dangerous objects within the control of a student. (Education Code 44807, 49001)

(cf. 5131.7 - Weapons and Dangerous Instruments)

(cf. 5144 - Discipline)

Note: Pursuant to Education Code 44014, it is the duty of an employee and his/her immediate supervisor to report to law enforcement any attack, assault, or physical threat made against the employee by a student. Failure to report such an attack, assault, or physical threat is an infraction punishable by a fine. It is also an infraction for a Governing Board member or employee to prevent the filing of the report or to impose any sanction against an employee for so doing.

Although the law only requires employees to report attacks, assaults, or threats made by students, the following paragraph requires employees to report any attack, assault, or threat made against them by any other individual on school grounds.

An employee shall promptly report to the principal or other immediate supervisor any attack, assault, or physical threat made against him/her by a student or by any other individual in relation to the employee's performance of his/her duties, and any action the employee took in response. When appropriate, the employee and the principal or other immediate supervisor shall report the incident to law enforcement.

(cf. 3515.2 - Disruptions)

Reports of attack, assault, or threat shall be forwarded immediately to the Superintendent or designee.

(cf. 3320 - Claims and Actions Against the District)

(cf. 3515.4 - Recovery for Property Loss or Damage)

(cf. 3530 - Risk Management/Insurance)

Notice Regarding Student Offenses Committed While Under School Jurisdiction

Note: Education Code 49079 requires the district to inform teachers of students who have committed specified acts that constitute grounds for suspension or expulsion. School district officers or employees who knowingly fail to provide this information are guilty of a misdemeanor punishable by a fine and/or imprisonment.

The Superintendent or designee shall inform the teacher(s) of each student who, during the previous three school years, has engaged in or is reasonably suspected to have engaged in any act, except the possession or use of tobacco products, that would constitute a ground for suspension or expulsion as specified in AR 5144.1 - Suspension and Expulsion/Due Process. This information shall be based upon district records maintained in the ordinary course of business or records received from a law enforcement agency. (Education Code 49079)

EMPLOYEE SECURITY (continued)

(cf. 5125 - Student Records)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Note: Education Code 48201 requires districts to request records of a transferring student regarding acts that resulted in the student's suspension or expulsion from the previous school, as specified below; see AR 5125 - Student Records. Once the record is received, the Superintendent or designee must inform the student's teacher(s) of the acts as specified below.

Upon receiving a transfer student's record regarding acts committed by the student that resulted in his/her suspension or expulsion, the Superintendent or designee shall inform the student's teacher(s) that the student was suspended from school or expelled from his/her former district and of the act that resulted in the suspension or expulsion. (Education Code 48201)

Information received by teacher(s) shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher. (Education Code 49079)

Notice Regarding Student Offenses Committed While Outside School Jurisdiction

Note: The following **optional** paragraph is for use by districts maintaining a district police or security department. Welfare and Institutions Code 828 specifies that information gathered by a law enforcement agency relating to a minor taken into custody may be disclosed to a school district police or security department. The following paragraph addresses the authority of the district police department to utilize such information as it pertains to certain offenses committed by students.

When a minor student has been found by a court of competent jurisdiction to have illegally used, sold, or possessed a controlled substance or committed specified crimes involving serious acts of violence, the district police or security department may provide written notification to the Superintendent. (Welfare and Institutions Code 828.1)

(cf. 3515.3 - District Police/Security Department)

When informed by the court that a minor student has been found by a court to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Penal Code 290, assault or battery, larceny, vandalism, or graffiti, the Superintendent or designee shall so inform the school principal. (Welfare and Institutions Code 827)

The principal shall disseminate this information to any counselor who directly supervises or reports on the student's behavior or progress. The principal shall also inform any teacher or administrator directly supervising or reporting on the student's behavior or progress whom

EMPLOYEE SECURITY (continued)

he/she thinks may need the information so as to work with the student appropriately, avoid being needlessly vulnerable, or protect others from vulnerability. (Welfare and Institutions Code 827)

Any court-initiated information that a teacher, counselor, or administrator receives shall be kept confidential and used only to rehabilitate the student and protect other students and staff. The information shall be further disseminated only when communication with the student, parent/guardian, law enforcement staff, and probation officer is necessary to rehabilitate the student or to protect students and staff. (Welfare and Institutions Code 827)

When a student is removed from school as a result of his/her offense, the Superintendent shall hold the court's information in a separate confidential file until the student is returned to the district. If the student is returned to a different district, the Superintendent shall transmit the information provided by the student's parole or probation officer to the superintendent of the new district of attendance. (Welfare and Institutions Code 827)

Any confidential file of court-initiated information shall be kept until the student becomes 18, graduates from high school, or is released from juvenile court jurisdiction, whichever occurs first, and shall then be destroyed. (Welfare and Institutions Code 827)

Procedures to Maintain Confidentiality of Student Offenses

Note: The following section describes procedures for maintaining confidentiality of student records and documenting the district's good faith effort to notify counselors or teachers about student offenses. Intentional violation of the confidentiality provisions of Welfare and Institutions Code 827 is a misdemeanor punishable by a fine. This section may be modified to reflect district practice.

In order to maintain confidentiality when providing information about student offenses to counselors and teachers of classes/programs to which a student is assigned, the principal or designee shall send the staff member a written notification that one of his/her students has committed an offense that requires his/her review of a student's file in the school office. This notice shall not name or otherwise identify the student. The staff member shall be asked to initial the notification and return it to the principal or designee. He/she shall also initial the student's file when reviewing it in the school office.

Use of Pepper Spray

Note: The following **optional** section may be revised to reflect district practice.

The Superintendent or designee shall notify employees of the district's policy prohibiting the possession of pepper spray on school property or at school-related activities without prior approval of the Superintendent or designee. Employees wishing to carry pepper spray shall

EMPLOYEE SECURITY (continued)

submit to the Superintendent or designee a written request setting forth the need for the pepper spray. The Superintendent or designee shall notify the employee in writing as to whether the request was approved or denied.

When approving an employee's request, the Superintendent or designee shall inform the employee of the following conditions:

1. The pepper spray shall be used only in self-defense.
2. An employee who uses pepper spray other than in self-defense shall be subject to disciplinary action by the district and, in accordance with law, a fine and/or imprisonment.

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)
(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

3. The pepper spray must be stored in a secure place and not be accessible to students or other individuals. Negligent storage of the pepper spray may subject the employee to disciplinary action.
