BOARD AGENDA ITEM: Approval to Restore Budget Cuts
DEPARTMENT: Superintendent's Office
CONTACT PERSON: Craig M. Guensler

REPORT/PROPOSAL

Approval of Restoring Some of the Initial Budget Reductions - Due to the state budget not actually getting a 10% cut and some better news on the deferrals then we anticipated, we would like to restore the following budget reductions.

- Restore the Furlough Days for all employees that had previously agreed to the days (Superintendent, Certificated Admin, Classified Management, Secretaries)
- Reversal of the 1% Reduction for Confidential
- Reversal of the 1% Reduction for Psychologists and Nurse
- Reversal of the Medical Benefits Reductions for School Board Members
- Cell Phone Stipends reinstatement
