Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The site plan and expenditures within the site plan benefit the school-age students as a whole, therefore this is a School Wide Program (SWP). All students will be provided educational opportunities designed for academic progression and community connectivity to school.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

The Principal maintains an open door policy for communication with parents, teachers and students. We utilize social media, website, classroom apps for instant updates and monthly family calendars to communicate with families. We hold open meetings on topics with invitations to all. Summary of results is that our parental concerns are addressed promptly.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom walkthroughs by administration occur unannounced and frequently. At the door conversations are held with staff and follow ups as needed. Formal observations and evaluations are conducted per district schedule. Our staff adheres to professional standards and curricular instructional methods.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

A variety of assessments are available to guide instruction.

- Kindergarten pre and post standards based assessment
- Trimester Kindergarten through 5th grade Standards Based Report Card
- Data from trimester accountability assessments in reading and math (i.e. STAR Early Literacy, STAR Reading, curriculum diagnostics, Moby Max) is compiled and evaluated at a staff meeting for each classroom, grade level and for the whole school. Based on this, needs are identified and an action plan is developed. Also, students performing at far below, below basic, and basic levels are identified, RTI differentiated instruction in place, and any other applicable interventions are put into place.
- Star Literacy/SIPP/SORT and McGraw-Hill Wonders diagnostics for reading fluency scores are obtained each trimester and are used to group students for reading.
- English Language Learner testing is administered to all new second language students for whom assessment results are not available and to all English Learners to determine their English proficiency and to measure their progress toward becoming fluent English proficient.
- State testing, CAASPP, is administered annually to all students in 5th grade to measure student achievement in Science. CAASPP is administered to all 3rd-5th grade students in ELA and Math. This information is used to identify areas of for growth in the site program to create an action plan for site program improvement.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Curriculum embedded assessments/diagnostics are given at the beginning of the year, at end of unit and/or at end of trimester depending on grade level. This information assists the instructional planning and individual response to intervention as needed for students.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

Staff attends curriculum development, pacing and instructional planning meetings, to include new adoption training. We hold staff meetings regularly with topics ranging from student/family event planning to collaborative conversations for curriculum development and refinement to standards. Technology team leads provide peer-to-peer training for software approved and implemented into instructional lessons. District plans curriculum, technology, safety and student social growth training for staff.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All staff have access to instructional supplies, materials, textbooks and technological devices in order to provide standards-based instruction. Staff development is scheduled on our school year calendar and provided on a needs-based and current topic implementation plan basis each year. Staff has peer-to-peer collaboration.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development focuses on these areas:

- Research based instructional techniques: Essential Instructional Skills will continue with staff and administrative communication. Input sessions and classroom walk-through observations identify and expand appropriate application of this information. Walk through observations will be followed up by reflective conferences to further discuss and elaborate on instruction.
- Content specific instructional techniques: Through the McGraw-Hill reading and math specific staff development sessions are available to teachers on a yearly basis through webcasts and in training sessions. Additionally, teachers have been provided with training in the use of software programs and curriculum.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Publisher trainings, virtual/distance learning components, software/app technology-based off site trainings when available and webinar platform trainings.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Scheduled staff meetings and calendared minimum days.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

At each grade level in the district, teachers use the state content area standards in reading and math to address essential standards. Student instruction, assessment and promotion are based on mastery of these essential standards. State adopted curriculums, McGraw-Hill Math and Wonders, are used at Lone Tree School. Both of these curriculums are standards based and utilize an explicit research based sequence of instruction. The core instructional materials to be used with the adoptions were purchased through district textbook funds and are used within each classroom. Each year textbook funds are used to explore standards based materials. With Common Core Standards, teachers and administration work together to expand opportunities for curricular expansion.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Our district reports minutes annually and is annually over the required instructional minute total. Our teachers have a schedule that allows for ELA and math instructional blocks.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

We surpass state requirements for overall mandated school day minutes. The majority of our school day is spent with ELA and math.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

The McGraw-Hill series incorporates social studies and science into their instructional activities throughout the year. As a result, the vocabulary and content incorporate diversity and are thus of interest to an ethnically diverse student population. In addition, the Scott Foresman Social Science curriculum and Houghton Mifflin Science curriculum have EL components, as well as leveled readers, computer based programs and supplemental standards-based social studies and science supplements which make it accessible to all students in a classroom. At Lone Tree, approximately 18% as of September 18, 2020 are socio-economically disadvantaged, however, we were at 36% as of October 2019. All students benefit from curriculum that is repetitious, explicit and sequential (i.e. small steps build progressively). McGraw-Hill, Scott Foresman, and Houghton Mifflin have these features built into their activities, materials and instructional sequence.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Materials utilized for Response to Intervention (RTI) are standards based and associated with our ELA and math publishers, including on the state list of intervention materials. We also use standards aligned support materials to differentiate instruction.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Within the regular classroom, the teacher will provide daily interventions for students who have not mastered the standards with whole group and small group instruction alone. Based on ongoing assessments, small group workshops pre-teach and re-teach standards. Students of RTI Tier 3 will receive intensive reading instruction. Tiers 1 and 2 RTI are instructed in their classrooms or within grade level homogeneous ability groups. The curriculum for the intervention groups includes a state adopted intervention program, Sonday, John Shefelbine's Systematic Instruction in Phonics and Phonemic Awareness (SIPPs), Early Reading Intervention (ERI), Language for Learning and/or Reading Mastery. The mid-level groups may be working with Read Naturally or Accelerated Reader Power Lessons to better develop comprehension strategies, and the high-level groups will be working with Accelerated Reader Power Lessons. Additionally, the Common Core connectivity to integrating social science and science with reading instruction is in place. Supplemental writing lessons along with Wonders curriculum components are in place for writing in each grade level. In each classroom, a bank of computers makes it possible to supplement and reinforce instruction with additional practice. Students in grades 3-5 (2nd grade is nearly complete with 1-1) have one on one tablets assigned to to help integrate technology into daily practice. Software is available for reading and math practice as well as English Language Development. Additionally, our technology infrastructure has been updated to allow each classroom to access Moby Max, Accelerated Reader and McGraw-Hill ELA and math. In the kindergarten and first grade classrooms, age appropriate software is available in the areas of reading, math, English Language Development, auditory processing and cognitive development. The regular use of the computer station to supplement instruction throughout the day allows the teacher to incorporate smaller group instruction at these grade levels.

Evidence-based educational practices to raise student achievement

All state adopted curriculum is in place for core subject of ELA and Math.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

The Family Resource Center provides intergenerational literacy activities to socio-economically challenged families. These include English Language Development meetings held for our District centrally located at the Wheatland Elementary School site. The Lone Tree School Family Resource Center hosts activities for parents to get information about the area and opportunities for parents to come to school for family activities (i.e. Yellow Ribbon Club). We hold events annually to increase family connection to school (i.e. book fairs, parent/student dance, fall carnival). We support students through a myriad of programs to involve students, support specific basic needs for social connection, and encourage positive self-esteem (i.e. Yellow Ribbon Club, Recycling Club, Renaissance Leadership program, school counselor skill groups in the areas of school skills, friendship, and social-emotional growth). Our excellent volunteer parents are involved with campus fundraisers to provide opportunities for field trip experiences for students, assistance in the classrooms with projects and curriculum support (i.e. tutoring), physical activity enhancements for students (i.e. Jump for Heart), and field trip chaperones. Parents and teachers working directly and personally for volunteer opportunities and supported by school administration communication for any whole campus opportunities. Lone Tree houses a State Preschool program. Sunset Housing and Bear River Apartments offer affordable housing within the Wheatland city limits. The military base offers a Family Support service which provides counseling, respite and parent education classes. The military base also has a variety of medical and community resources for military families. Other families are limited by Wheatland and Smartsville's geographic isolation and the lack of affordable transportation.

For 2019/2020 47.66% of our enrollment was through interdistrict agreement.
For 2019/2020 93.7% was our average attendance. Our school and district experienced a period of transition to distance learning due to COVID-19 restrictions.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Our elementary school site council is comprised of parents, school staff and principal.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Special Education: Educational assessments are provided for those students who have received a variety of general education and specialized interventions and continue to experience academic difficulties. The special education program also provides intervention for identified special education students as prescribed in their IEPs. Early Intervention/Response to Intervention: Interventions are available through specially structured groups. Small group instruction is available to at-risk (RTI Tier III) students who have not mastered grade level standards as a result of general education instruction and general education intervention. The learning center also provides intervention to at-risk students in need of small group instruction. This service is provided as a pre-referral intervention and is intended to be a timely means of preventing children from falling irreparably behind. This early intervention service is utilized after daily general education small group instruction has been insufficient to accelerate progress towards standards. K-1st Intervention program: Achieving our goal of having every child at grade level in reading and math requires that no child falls behind in the beginning. Therefore additional resources are applied at the K-1st grade levels to accelerate and support learning of our at-risk students. A half-day para-educator is in place within each kindergarten and 1st grade classroom. Para-educators provide small group and individual instruction to at-risk students in addition to providing supplemental math and reading instruction during center time. Our most at-risk early readers receive support using research based WonderWorks, ERI program, SIPPS, Sonday or Reading Mastery. After School Program: The after school program provides homework support, enrichment activities, and specific remedial academic instruction in the areas of reading and math.

Fiscal support (EPC)

Our title 1 dollars are spent on the curricular support of students through technology (hardware and software), student connectivity to school via a schoolwide culture of Renaissance, the promotion of positive behaviors and development of resilience and personal best with the support of Lifeskills staffing, plus classroom tools for student use to further develop skills.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Annual Site Council meetings, staff meetings, annual events for families, conversations with parents, staff review of data, district goals reviewed, district programs implemented and collaboration with area services.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

There are programmatic and supplemental opportunities that we would like to expand, however, we have funding limitations. Our geographic location limits the travel to experiences and events. Please note that many of the budget items relate to all four goals and a large portion of the funding expenditure budget is listed in goal 1, but so many areas are crossover supports to goals 3 - 4.

Conclusions based on this data:

1. Approximately 2% of our student population are English Learners.
2. The ELPAC annual assessment was not able to be completed during the 2019/2020 school year due to COVID-19 restrictions and school closure.
3. Data will be reviewed from classroom performance and 2020/2021 ELPAC to determine reclassification for EL students.

Conclusions based on this data:

1. 2019/2020 CAASPP suspended due to COVID-19.
2. Grades 2 and 5 had overall drops from 2017/2018 to 2018/2019. In discussion with teachers during 2019/2020, math facts fluency was a common area for student growth and was being addressed in 2019/2020 to include and after school intervention class in math for 4/5.
3. Grade 4 had overall improvement with nearly 8% increase out of standard not met from 2017/2018 to 2018/2019.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

2019-20 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
363	35%	2.2	This is the percent of students whose well-being is the responsibility of a court.
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	

2019-20 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	8	2.2
Foster Youth	2	
Homeless	1	0.2
Socioeconomically Disadvantaged	130	35%
Students with Disabilities	39	11

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	21	5.8
American Indian	3	0.8
Filipino	1	0.3
Hispanic	7	1.9
Two or More Races	83	22.8
Pacific Islander	53	14.6
White	189	52.06

Conclusions based on this data:

1. Historical data indicates our overall enrollment was down by 3 students between 2018/2019 and 2019/2020. Our enrollment fluctuates throughout the year with our military community assignment changes.
2. As we enter 2020/2021 our socioeconomically disadvantaged rate is 18%, which if it stays at this number will be a 51% drop over last year. If our rate does not rise to the rate of last year, our school will lose Title 1 funding. We contact and remind families to complete the annual EZMealApp.com.
3. Diversity of enrollment is generally consistent from one year to next.

Conclusions based on this data:

1. Math is a target area for curriculum. For 2019/20, we moved the math block to the morning hours for onsite 3rd - 5th instruction. Due to COVID-19, school closed and we moved to distance learning as of mid-March 2019.
2. Math is a 3rd - 5th grade target area with teacher focus on specific skills, informal assessment and reteach based on data.

Conclusions based on this data:

1. We follow up on absences, making contact when parents do not initiate contact with the school.
2. Positive attendance is recognized in our school culture with Renaissance.
3. Campus clubs, student activities, counseling services and integrated MTSS supports may influence student attendance.

Conclusions based on this data:

1. Campus clubs, student activities, counseling services and integrated MTSS supports may influence student behavior.
2. Communication between teachers, students, parents and admin is fluid to assist with positive student behavior.
3. Lifeskills is in place when onsite/in-person instruction is open on campus to support daily interventions with redirection and in class support of student behaviors, which may influence our low suspension rate.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Strategies implemented 2019/2020 and carry forward to 2020/2021.
Summary of goal progress comparing 2018 CAASPP to 2019 CAASPP

2018 OVERALL ELA Nearly Met Standard to Standard Exceeded = 79.71%
2019 OVERALL ELA Nearly Met Standard to Standard Exceeded = 78,74 %
Difference = -0.97%

Goal could not be completed. Due to COVID-19, no CAASPP testing 2020.
Goal to CONTINUE 2020/2021

2018 OVERALL MA Nearly Met Standard to Standard Exceeded = 77.09%
2019 OVERALL MA Nearly Met Standard to Standard Exceeded = 73.48%
Difference = -3.61%

Goal could not be completed. Due to COVID-19, no CAASPP testing 2020.
Goal to CONTINUE 2020/2021

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

For 2019/2020, testing was suspended due to COVID-19. Preparation and equipment was in place.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

For 2020/2021 data from 2019 assessment is provided in the annual measurable outcomes table. The goal for 2021 assessment is provided in the annual measurable outcomes table as expected outcome and will be revisited and evaluation in fall 2021 with spring 2021 CAASPP results.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

ELL Student Growth

LEA/LCAP Goal

WSD will improve student achievement for all students including EL, Low Income and Foster Youth (LCAP 2019-2020 GOAL 1)

Goal 2

ELPAC testing will be used to identify students in need of English instruction to help identify needs and proper placement in the academic setting with all students making at least one increase towards fluency per year. This goal will continue, as school was closed for a portion of 2019/2020 due to COVID-19 restrictions and the ELPAC annual assessment was suspended statewide.

Identified Need

Move English Learners forward with fluency levels.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 5 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Jodie Jacklett	Principal
Melissa Jensen	Classroom Teacher
Tammy Bocksberger	Classroom Teacher
Judy Finlay	Classroom Teacher
Cory Garcia	Classroom Teacher
Dylan Purbaugh	Classroom Teacher
Dolores McCray	Other School Staff
Tara Schmidt	Parent or Community Member
Heather Kendell	Parent or Community Member
Nathan Gunty	Parent or Community Member
Tracy Slaton	Parent or Community Member
Ashley Adams	Parent or Community Member
ALT - Heather Slauzis	Classroom Teacher
ALT - Jean Pittman	Parent or Community Member
ALT - Jamie Burdette	Parent or Community Member
ALT - Jaime Beckman	Parent or Community Member
ALT - Matthew Fox	Parent or Community Member
ALT - Teresa Wade	Parent or Community Member
ALT - Jennifer Bender	Other School Staff

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members.

Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 9/24/2020.
