REPORT/PROPOSAL

The “Draft” Waiver has been written. This is not an action item for this meeting but a discussion item to look at whether we will apply for the waiver or not. The District will still need to consult with stakeholders prior to submitting the waiver. A staff survey and a parent survey has been sent out. The staff survey has been completed and the parent survey is open until Sunday at 5:00pm. Results from both surveys will be shared at this meeting.

SUPERINTENDENT’S RECOMMENDATION:

No Recommendation as this is a discussion item
