

RESPONSE TO IMMIGRATION ENFORCEMENT

Note: Pursuant to Education Code 234.7, as added by AB 699 (Ch. 493, Statutes of 2017), districts are **mandated** to adopt policy that is consistent with the California Attorney General's model policy limiting assistance with immigration enforcement at public schools. The required model policy statements are contained in the Office of the Attorney General publication Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Immigration Issues, and, except as otherwise noted, are reflected in the following regulation. See the accompanying Board policy, BP 0410 - Nondiscrimination in District Programs and Activities, BP/AR 5111 - Admission, AR 5111.1 - District Residency, BP/AR 5125 - Student Records, AR/E 5125.1 - Release of Directory Information, and BP 5131.2 - Bullying for additional language fulfilling this mandate.

The Attorney General's model policy recommends that districts designate an immigrant affairs liaison to facilitate training programs for staff, help provide non-legal advice to families, and assist in communications with other educational agencies and local and state government stakeholders. The following administrative regulation may be revised to reflect any such position established by the district.

Responding to Requests for Information

Note: Education Code 234.7, as added by AB 699 (Ch. 493, Statutes of 2017), prohibits the collection of information or documents regarding the citizenship or immigration status of students or their family members. If the district becomes aware of the citizenship or immigration status of any student, it is prohibited from disclosing that information to U.S. Immigration and Customs Enforcement (ICE), as such disclosure is not among the limited exceptions specified in law for which student records may be released without parental consent or a lawful judicial order. An ICE "administrative warrant" is not a court order that would allow a district to disclose student records without parent/guardian consent. See the Office of the Attorney General publication Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Immigration Issues for further information and examples of such administrative warrants and judicial orders.

Unless authorized by the Family Educational Rights and Privacy Act pursuant to 20 USC 1232g, student information shall not be disclosed to immigration law enforcement authorities without parental consent, a court order, or judicial subpoena. The Superintendent or designee shall annually notify parents/guardians that the district will not release student information to third parties for immigration enforcement purposes, unless the parent/guardian consents or as required to do so by a court order or judicial subpoena.

(cf. 1340 - Access to District Records)
(cf. 3580 - District Records)
(cf. 5125 - Student Records)
(cf. 5125.1 - Release of Directory Information)

Note: Items #1-4 below reflect requirements of the Attorney General's model policy.

Upon receiving any verbal or written request for information related to a student's or family's immigration or citizenship status, district staff shall:

1. Notify the Superintendent or designee about the information request

RESPONSE TO IMMIGRATION ENFORCEMENT (continued)

2. Provide students and families with appropriate notice and a description of the immigration officer's request
3. Document any request for information by immigration authorities
4. Provide students and parents/guardians with any documents provided by the immigration enforcement officer, unless such disclosure is prohibited by a subpoena served on the district or in cases involving investigations of child abuse, neglect, or dependency

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Note: Government Code 8310.3, as added by SB 31 (Ch. 826, Statutes of 2017), prohibits districts from disclosing information about immigration status or religion to federal government authorities for use in the compilation of a registry for immigration enforcement or otherwise assisting in the creation of such a registry. In addition, the Attorney General's model policy developed pursuant to Education Code 234.7 prohibits the use of school data or resources for creating a registry based on specific characteristics. Also see BP 0410 - Nondiscrimination in District Programs and Activities and BP 5125 - Student Records.

Resources and data collected by the district shall not be used, directly or by others, to compile a list, registry, or database of individuals based on national origin, immigration status, religion, or other category of individual characteristics protected against unlawful discrimination. (Government Code 8310.3)

Responding to Requests for Access to Students or School Grounds

Note: Except as otherwise noted, the following **mandated** section reflects the Attorney General's model policy developed pursuant to Education Code 234.7. The Office of the Attorney General publication Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Immigration Issues contains a Quick Reference Guide for School Officials that summarizes the steps to be taken in the event that an immigration enforcement officer comes to a school or requests personal information about a student or his/her family member.

District staff shall receive parent/guardian consent before a student is interviewed or searched by any officer seeking to enforce civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge or a valid, effective court order. A student's parent/guardian shall be immediately notified if a law enforcement officer requests or gains access to the student for immigration enforcement purposes, unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

(cf. 5145.12 - Search and Seizure)

Note: The Attorney General's model policy includes requirements that the district post signs at school entrances containing school hours and registration requirements and that the district adopt measures for responding to outsiders in a manner that avoids classroom interruptions. See BP/AR 1250 - Visitors/Outsiders for procedures applicable to all "outsiders," as defined in Penal Code 627.1.

RESPONSE TO IMMIGRATION ENFORCEMENT (continued)

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. Each visitor or outsider shall provide the principal or designee with his/her name, address, occupation, age if less than 21, purpose in entering school grounds, proof of identity, and any other information required by law. (Penal Code 627.2, 627.3)

(cf. 1250 - Visitors/Outsiders)

|---|
| Note: The following paragraph may be modified by districts that do not maintain a district police or security department. |
|---|

District staff shall report the presence of any immigration enforcement officers to on-site district police and other appropriate administrators.

(cf. 3515.3 - District Police/Security Department)

As early as possible, district staff shall notify the Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, district staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

1. Advise the officer that before school personnel can respond to the officer's request, they must first receive notification and direction from the Superintendent or designee, except under exigent circumstances that necessitate immediate action
2. Request to see the officer's credentials, including his/her name and badge number, and the phone number of the officer's supervisor, and note or make a copy of all such information
3. Ask the officer for his/her reason for being on school grounds and document the response
4. Request that the officer produce any documentation that authorizes his/her school access
5. Make a copy of all documents produced by the officer and retain one copy for school records
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, comply with the officer's orders and immediately contact the Superintendent or designee

RESPONSE TO IMMIGRATION ENFORCEMENT (continued)

7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:
 - a. If the officer has an Immigrations and Customs Enforcement (ICE) administrative warrant, district staff shall inform the agent that they cannot consent to any request without first consulting with the district's legal counsel or other designated district official.
 - b. If the officer has a federal judicial warrant, such as a search and seizure warrant or an arrest warrant signed by a federal judge or magistrate, district staff shall promptly comply with the warrant. If feasible, district staff shall consult with the district's legal counsel or designated administrator before providing the officer with access to the person or materials specified in the warrant.
 - c. If the officer has a subpoena for production of documents or other evidence, district staff shall inform the district's legal counsel or other designated official of the subpoena and await further instructions as to how to proceed.
8. Do not attempt to physically impede the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters the premises without consent, district staff shall document the officer's actions while on campus.
9. After the encounter with the officer, promptly make written notes of all interactions with the officer, including:
 - a. A list or copy of the officer's credentials and contact information
 - b. The identity of all school personnel who communicated with the officer
 - c. Details of the officer's request
 - d. Whether the officer presented a warrant or subpoena to accompany his/her request, what was requested in the warrant or subpoena, and whether the warrant or subpoena was signed by a judge
 - e. District staff's response to the officer's request
 - f. Any further action taken by the officer
 - g. A photo or copy of any documents presented by the officer

RESPONSE TO IMMIGRATION ENFORCEMENT (continued)

10. Provide a copy of these notes and associated documents collected from the officer to the district's legal counsel or other designated district official

The district's legal counsel or other designated official shall submit a timely report to the Governing Board regarding the officer's requests and actions and the district's responses. (Education Code 234.7)

The Superintendent or designee shall also email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a school site or a student for immigration enforcement purposes.

Responding to the Detention or Deportation of Student's Family Member

The Superintendent or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The Superintendent or designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

(cf. 5141 - Health Care and Emergencies)

The Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

See AR 5111.1 - District Residency. |

RESPONSE TO IMMIGRATION ENFORCEMENT (continued)

The Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a district school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4)
