RE: 2024-2025 Contracts

We are enclosing the contracts for the 2024-2025 school year between Interquest Detection Canines of Central Valley and your school district. We have utilized the information from last school year's contract to estimate the number of visits needed for your district. Drug and contraband deterrence and prevention is a key piece of any school safety protocol and our program is set up to be a friendly, unimimidating, yet effective presence with a focus on keeping contraband (illegal drugs, alcohol, gun powder, and medications including Fentanyl) off campus through inspections and education. Interquest provides services to over 1,200 public school districts across the nation.

Thank you for this great transition year to our office. We are happy to announce there will be no increase in rates for the upcoming school year.

Please review the contract. If acceptable, sign and return one copy of the contract with your district calendar and bell schedules and keep the other copy for your records.

We look forward to the opportunity to partner with you to keep contraband off your campus. If you have any questions, please do not hesitate to contact us.

Sincerely,

Two handwritten signatures in black ink. The first signature is "Ashley" and the second is "Debra".

Interquest Detection Canines®
Of Central Valley
Wheatland School District
(the District)

This shall serve as an agreement by and between Interquest Detection Canines® of Central Valley and the DISTRICT for substance awareness and detection services for the period of August 2024 through June 2025.

It is understood that the DISTRICT has established and communicated a policy clearly defining contraband as all drugs of abuse (in the broadest terms), alcoholic beverages, gunpowder and prescription and over-the-counter medication, and that this policy has been disseminated to all campus locations. Violations are considered inimical to the welfare of students and contrary to the DISTRICT'S desire to foster an atmosphere conducive to safety and education.

INTERQUEST shall provide contraband inspection services utilizing non-aggressive contraband detection canines. Such inspections may be conducted on an unannounced basis under the auspices and direction of the DISTRICT administration with INTERQUEST acting as an agent of the DISTRICT while conducting such inspections. Communal areas, lockers, gym areas, parking lots (automobiles), grounds, and other select areas as directed by DISTRICT officials, shall be subject to inspection. Contraband detected on DISTRICT property is the responsibility of the DISTRICT.

INTERQUEST policy precludes the use of detection canines to "sniff" individuals under any circumstances.

INTERQUEST agrees to provide **10 HALF** day visits for the contract period. The DISTRICT may increase the total number of visits by notifying INTERQUEST in writing. Each visit will be **\$420.00 / visit**. Multiple canine teams will be charged on a per team basis. INTERQUEST will invoice for service on a monthly basis at the conclusion of the service month. The DISTRICT agrees to pay for services within thirty (30) days of receipt of such invoice.

INTERQUEST will schedule DISTRICT visits in conjunction with days designated by the DISTRICT as appropriate for visits. DISTRICT will provide a school calendar with inappropriate dates for service noted. This calendar will serve as an addendum to the Agreement. All other dates will be considered acceptable for visits. Service will NOT be scheduled until the calendar is received.

INTERQUEST is licensed and registered by the U.S. Department of Justice, Drug Enforcement Administration, and regional regulatory agencies as required. Detection canines are certified as reliable by Drug Beat Certification or equivalent independent agency. All employees are registered with the Department of Justice in accordance with California Education Code requirements.

The DISTRICT agrees to hold harmless INTERQUEST, its Director and employees from and against any and all claims, demands, actions and suits, including but not limited to, any liability for damages by reason of or arising from contraband remaining undetected.
