BOARD AGENDA NUMBER: 5.3

BOARD AGENDA ITEM: Approval of Master Facility Agreement Energy Services Lighting, HVAC & Solar Government Code 4217. Et al

DEPARTMENT: Superintendent's Office

CONTACT PERSON: Craig M. Guensler

REPORT/PROPOSAL

With escalating electricity costs and HVAC equipment at the end of life, the District is leveraging electricity savings and ECAA loan to upgrade lighting to LED at Bear River, District Office, Lone Tree, Wheatland Elementary, Preschool & Bus Barn. HVAC replacements with high-efficiency units at Lone Tree. Dual Purpose Shade/Solar array at Wheatland Elementary School (paid for from ECAA Loan). PG&E increase of 22% with another 13% expected to be approved by CPUC. All scope will reduce energy costs, improve student comfort and learning while addressing critical infrastructure upgrades. The district will be receiving a reimbursement from the Inflation Reduction Act for the modernization of at minimum \$215,651 in 2024
