Overview and Budget Certification

- On or before July 1 of each year, the Governing Board of each school district shall do the following:
 - Hold a public hearing on the proposed budget for the next fiscal year (June 10, 2025)
 - Vote to Approve or Disapprove the Adopted Budget (June 12, 2025)
 - Approve (Pass) - adopting a budget allows the district to post a budget and begin fiscal related operations (requisitions, purchase orders, pay vendors, etc.)
 - Contingent on having the required minimum reserve for the current and two subsequent years
 - Disapprove (Fail) - zero dollars budgeted thus halting operations. County develops the budget at the district's expense.
 - File the budget with Yuba County Office of Education
 - Ed Code for not submitting a budget on time to the county: 42127(d), 42128, 42129

Why do we budget?

- Budgets allow districts to translate sometimes intangible missions, operations and objectives into reality by outlining and providing specific programs and funding/financial terms
- Our budget helps bridge the gap that can exist between stated goals and resource allocation
- Legally required to adopt a budget by June 30th

Key Summary Points for Proposed Budget

- **One-Time Funds Are Gradually Coming to an End**
 - Millions of dollars in total one-time funding over the past years
 - COVID Relief (ESSER and ELOG), Discretionary Block Grant, Learning Recovery Block Grant, Educator Effectiveness
- **Decreasing Expenditures**
 - Cutting back on expenditures we had been using one-time funding for
- **Increasing Revenue 25/26**
 - Higher 2.3% COLA in 2025-26 compared to 1.07% COLA in 24/25
- **Deficit Spending and Reserves**
 - WSD needs to reduce expenditures in 2025-26 to sustain the minimum 3% reserves required by the state and our board policy
 - WSD needs to figure out the ideal target for reduction in order to eliminate deficit spending and balance the budget
