REPORT/PROPOSAL
Enrollment Report for August 13, 2025 (anticipated)

SUPERINTENDENT'S RECOMMENDATION:

None

These are the numbers assigned to teachers at each school/program and it does include students that are in the PORTAL but not yet moved into AERIES (waiting for some papers is usually the reason). The other spreadsheet is from AERIES and that does not include students in the PORTAL so that is why they differ in numbers!! By the time this is reported at the board meeting the numbers will be different!
