Dear Wheatland School Board and Wheatland School District Staff,

It is with mixed emotions that I formally announce my retirement from Wheatland School District, effective June 30, 2026.

Serving as Superintendent of this incredible district for the past 16 years has truly been the highlight of my professional career. These years have been the best of my work life, and I am profoundly grateful for the opportunity to lead and serve a community I deeply respect and care for.

Working collaboratively with our dedicated staff and our committed Board of Education has been nothing short of extraordinary. Together, we have built and nurtured an environment where students not only excel academically but truly thrive, feel supported, and enjoy their school experience. I could not be prouder of what we have accomplished as a team.

I will never forget the work we have done together or the great times we have shared while steering this ship toward continuous improvement and student success. I also want to extend my heartfelt thanks to the entire Wheatland Community for its unwavering support of such a great School District. Your commitment has been essential to everything we have achieved.

I will sincerely miss working alongside each of you—the Board, administrators, teachers, support staff, and every individual who contributes daily to the success of our students. I am confident that Wheatland School District will continue to flourish long beyond my tenure, guided by the strong leadership, exceptional staff, and unified vision already in place.

Thank you for the trust you have placed in me, for the support you have consistently shown, and for the unwavering commitment this district maintains toward serving students and their families for the past 16 years. I am grateful for all Wheatland School District has done for me and honored to have been part of its legacy.

As I look toward the next chapter of my life, I will carry with me the pride, joy, and meaningful relationships formed throughout these remarkable years. It has been a privilege to serve.

With deep appreciation,

Craig Guensler
