**Re: Notice of Intent to Operate a Charter School Pursuant to Education Code Section 47605.6**

Dear Superintendent Guensler:

This notification is provided pursuant to Education Code Section 47605.6(a)(1), which requires that each school district in which a countywide charter school proposes to operate a facility be notified of the petitioners' intent to operate a countywide charter school pursuant to Education Code Section 47605.6.

The petitioners for CORE Charter High School are hereby providing official notice of their intent to operate a countywide charter school pursuant to Education Code Section 47605.6. An establishment charter petition shall be submitted to the Yuba County Board of Education for consideration and approval.

Please feel free to contact me should you have any questions or to request additional information.

Sincerely,

Chris Mahurin
