

Transportation Fees

BP 3250

Business and Noninstructional Operations

Because the cost of providing student transportation exceeds funding provided by the state, the Governing Board finds it necessary to charge fees for home-to-school student transportation.

The Superintendent or designee shall annually submit proposed changes to transportation fee schedules for Board approval. Fees shall be determined on the basis of operating costs in accordance with law.

No charge shall be made for any transportation of students whose individualized education program requires transportation or whose parents/guardians are determined indigent pursuant to administrative regulations.

Fee Schedule and Collection

Transportation fees charged by the district shall not exceed the statewide average nonsubsidized cost of providing such transportation to a student on a publicly owned or operated transit system, as determined by the Superintendent of Public Instruction. (Education Code 39807.5)

The total amount received by the district from the state and parent/guardian fees shall not exceed the actual operating cost of home-to-school transportation during the fiscal year. If excess fees are collected due to errors in estimated costs, fees shall be reduced in succeeding years. (Education Code 39809.5)

The Governing Board shall certify to the County Superintendent of Schools that the district has levied fees in accordance with law and that, in the event that excess fees have been charged, the fees have been reduced and excess fee revenue eliminated. (Education Code 39809.5)

Bus passes and tickets may be sold at all district schools and at the district office.

Fees for Additional Services

In addition to charging fees for home-to-school transportation provided in accordance with Education Code 39800, the district shall charge fees for students traveling to and from their places of employment during the summer in connection with a summer employment program for youth. (Education Code 39837)

The district may also charge fees for:

1. Students traveling to full-time occupational classes provided by a Regional Occupational Program or Center (Education Code 39807.5)
2. Matriculated or enrolled adults traveling to and from school, or adults pursuing other educational purposes (Education Code 39801.5)

(cf. 3541 - Transportation Routes and Services)

Exemption from Fees

At the beginning of the school year and whenever a new student is enrolled, parents/guardians shall receive information about free transportation eligibility standards, application procedures and appeal procedures.

(cf. 5145.6 - Parental Notifications)

All applications and records related to eligibility for free transportation shall be confidential and used only for purposes directly connected with the free transportation program.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)

Students receiving free transportation shall not be identified by the use of special bus passes, tickets, lines, seats or any other means.
