

Dear Parent(s),

08/13/2020

We have received your request to enroll your child in Wheatland School District's Home Based Independent Study Program and are informing you that your child has been accepted.

Your application has been signed by Superintendent Guensler and will remain on file at your child's school.

Please save the dates:

- **August 18 5:00 - 7:00pm Device Distribution**
Please arrive at the District Office (100 Main St) to check out a computer device for your child. You will also complete a Technology Use agreement outlining responsibilities and restrictions related to using district equipment. If you do not need a computer device from the District you may skip attending this.
- **August 19 5:00 - 6:00pm Program "Town Hall" Meeting**
This Zoom meeting will be hosted by our partners at Edmentum Inc. Be sure to have your laptop ready as the company will walk you through the program, the curriculum, and the logging on/off processes. They will also highlight how work is to be completed and submitted for grading.
- **August 26 Individual Learning Plans**
Your child's Teacher of Record will issue your child's specific Learning Plan with curriculum goals, activities, pacing and assessment requirements. This is the second half of the Home Based Independent Study Agreement and must be signed and returned for our files.
- **August 31 First Day of Learning**
Students will log on and begin completing assignments.

A Home Based Independent Study Teacher will contact your family to set up weekly check in meetings that work with your family schedule. They will be your contact person and will help your child successfully progress in the program.

Welcome to the Home Based Independent Study Program.

Please feel free to ask questions at the Town Hall Meeting and contact me if you have any additional questions.

Sincerely,

Mr. Towne
Principal, Wheatland Elementary School
Director, Wheatland School District Home Based Independent Study Program
