Dear Chad Swaim,

This letter is an agreement that confirms Wheatland School District's decision to purchase \$29,594.63 of hardware/professional services from Riverside Technologies, Inc. during the Funding Year 2019 as specified in the attached specification and price quotations.

The procurement of the hardware/professional services will be dependent upon your acceptance of the below terms and conditions:

- I certify an FCC Form 470 was posted and that any related RFP was made available for at least 28 days before considering all bids received and selecting a service provider.
- I certify that the entity or entities listed on this application have not received anything of value or a promise of anything of value, as prohibited by the Commission's rules, other than services and equipment sought by means of this form, from the service provider, or any representative or agent thereof or any consultant in connection with this request for services.
- RTI will not invoice Wheatland School District until after July 1, 2019.
- The Billed Entity will use the FCC Form 474, Service Provider Invoice (SPI) Form, to request reimbursements from the Universal Service Administrative Company (USAC) for eligible services provided at discounted prices. The service provider must provide the service and give a discounted bill to the applicant prior to submitting the FCC Form 474.
- I acknowledge that the Billed Entity is responsible for the full Purchase Order/Agreement dollar amount. Billed Entity is also responsible to check/understand their approved commitment dollar amount from USAC. After 120 days without USAC approval, the Billed Entity is required to pay the outstanding invoice in full and file a BEAR form when approved. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

We look forward to working with Wheatland School District on this project.
